Beautiful pictures and quotes

**This motorcyclist who stopped to help an old woman pass safely.**

**This barber, who offers haircuts for the price of a single hug.**

## Consolation knows no color

**The many people who helped make this boy's dream come true.**

My disabled son has been obsessed with exotic cars for years. When I asked Callum a while ago what would be his favourite thing for Christmas he said, "Well, Dad, I'd love a drive in a supercar but I know that can't happen." A few days later, I posted this request on an Australian exotic car website, thinking that maybe, just maybe, one person might respond. The website went mad and now we've got three events planned for my son, Callum. People rock!

This dog owner who mourned by giving.

This store employee who gives extra service.

The person who decided to put new tires on a stranger's car just because he needed it.

You do not know me but I saw that you needed some tires for your truck and I wanted to do something nice for a stranger because one day a stranger did the same for me. The receipt is in the envelope and all you have to do is go by Warehouse Tire on 3<sup>rd</sup> Street and ask for Steven Hodges and they will be put them on for free. All I ask is that one day you do something nice for a complete stranger.

Every Wednesday and Thursday, he heads to local Cancer Centers and buys a cup of coffee for each patient, nurse, doctor and everyone in between... straight from his own pocket.

Recently had to put my dog to sleep. Got this in the mail a few days later. Simple gesture from the folks at the animal hospital really made my day....
